Plastic Storage Solutions

38237

38236

38235

38238

- Adjustable plastic organizers, simple and practical. Used to put all your small items in one place without losing them.
- Removable Separators - The grid dividers inside the box can be moved vertically, so you can adjust the dividers to fit larger pieces.
- Made with Non-toxic Plastic, which is very sturdy and when you close the container and snap it, if you drop it, no worries, dividers are tight enough, nothing gets mixed-up.
- Lifetime Warranty
